

PRODUCT INFORMATION ESCOFFEE

1.- Description

Roasted Arabica coffee, ground or whole beans. Roasted Mild of Dark. Escoffee is available in 250, 1 of 2 kg packaging.

2.- Cultivation and processing

Shade-grown, organic and washed coffee. Escoffee uses very strict selection criteria (allowance of < 0,5% defect). The coffee is roasted slowly and packed professionally in Ecuador itself (Guayaquil).

3.- Ingredients

100% roasted Arabica coffee. No artificial flavours. No trans-fats. No GMO's. Caffeine content < 1,30%.

4.- Origin

Escoffee hails from farmer organizations or individual small-scale farmers from optimal coffee growing regions of Ecuador (Loja, Galápagos, Mindo and Manabi).

5.- Certification

Escoffee is certified ORGANIC by SKAL International/Control Union and also carries the PICO¹ logo, indicating that the product is 100% Produced In Country of Origin, thus stimulating local Ecuadorian SMEs.

¹ Produced In Country of Origin

7.- Shelf life

If stored dry and cool, the shelf life of Escoffee is 24 months.

8.- Package

Escoffee's 250gr bag is made of PET, the 1 and 2 kg bags are made of plastic. In the packaging, a one-way valve is present so that the fresh coffee can post-gas after packaging and ensuring maximum quality in store. Amigos International is currently researching biodegradable packaging for Escoffee.

9.- Representation and distribution

Escoffee is represented in mainland Europe exclusively by Amigos International Responsible Trade & Consultancy and actively looking for distribution. Please mail: info@amigos-international.org
